FAMILY OWNED NATIONALLY RECOGNIZED

IDI is thoroughly committed to helping our loyal customers succeed in business, and we've put it all in writing with our Customer Service Pledge. We guarantee when you choose to partner with IDI, you are working with one of the top spray foam insulation suppliers in the nation. We will dedicate ourselves to supplying you with quality products, service, and information. We offer jobsite deliveries, locally stocked special order products, onsite training, and competitive pricing.

**When you do business with us,
we go to work for you!**

DO YOU NEED A CUSTOMIZED SOLUTION FOR YOUR INSULATION BUSINESS?

From starting a new business to growing an existing one, our experts will help you get the equipment, accessories and advice you need to be successful. Browse our rig options or contact your local rep to learn more about our extensive product line-up.

FEATURES AND BENEFITS:

Our knowledgeable tech team will fully train and support you as you learn the operational details of your new rig. In addition to on-site training from a certified technician, each rig purchase comes standard with a free set of foam.

16' Trailer Options

Standard or Premium Models: Residential and Small Commercial

FEATURED PRODUCTS

PIRANHA SPRAY FOAM TOOLS

Ask any sprayer how many tools have been lost, hard to carry, or broken on a jobsite? Piranha has developed a unique line of tools that will last. These tools were designed by sprayers for sprayers to be durable, functional, and easy to carry. Piranha tools will increase productivity and efficiency with any spray crew and IDI is proud to carry them as a featured product.

PIR-0065159	ENTIRE TOOL KIT	\$209.99

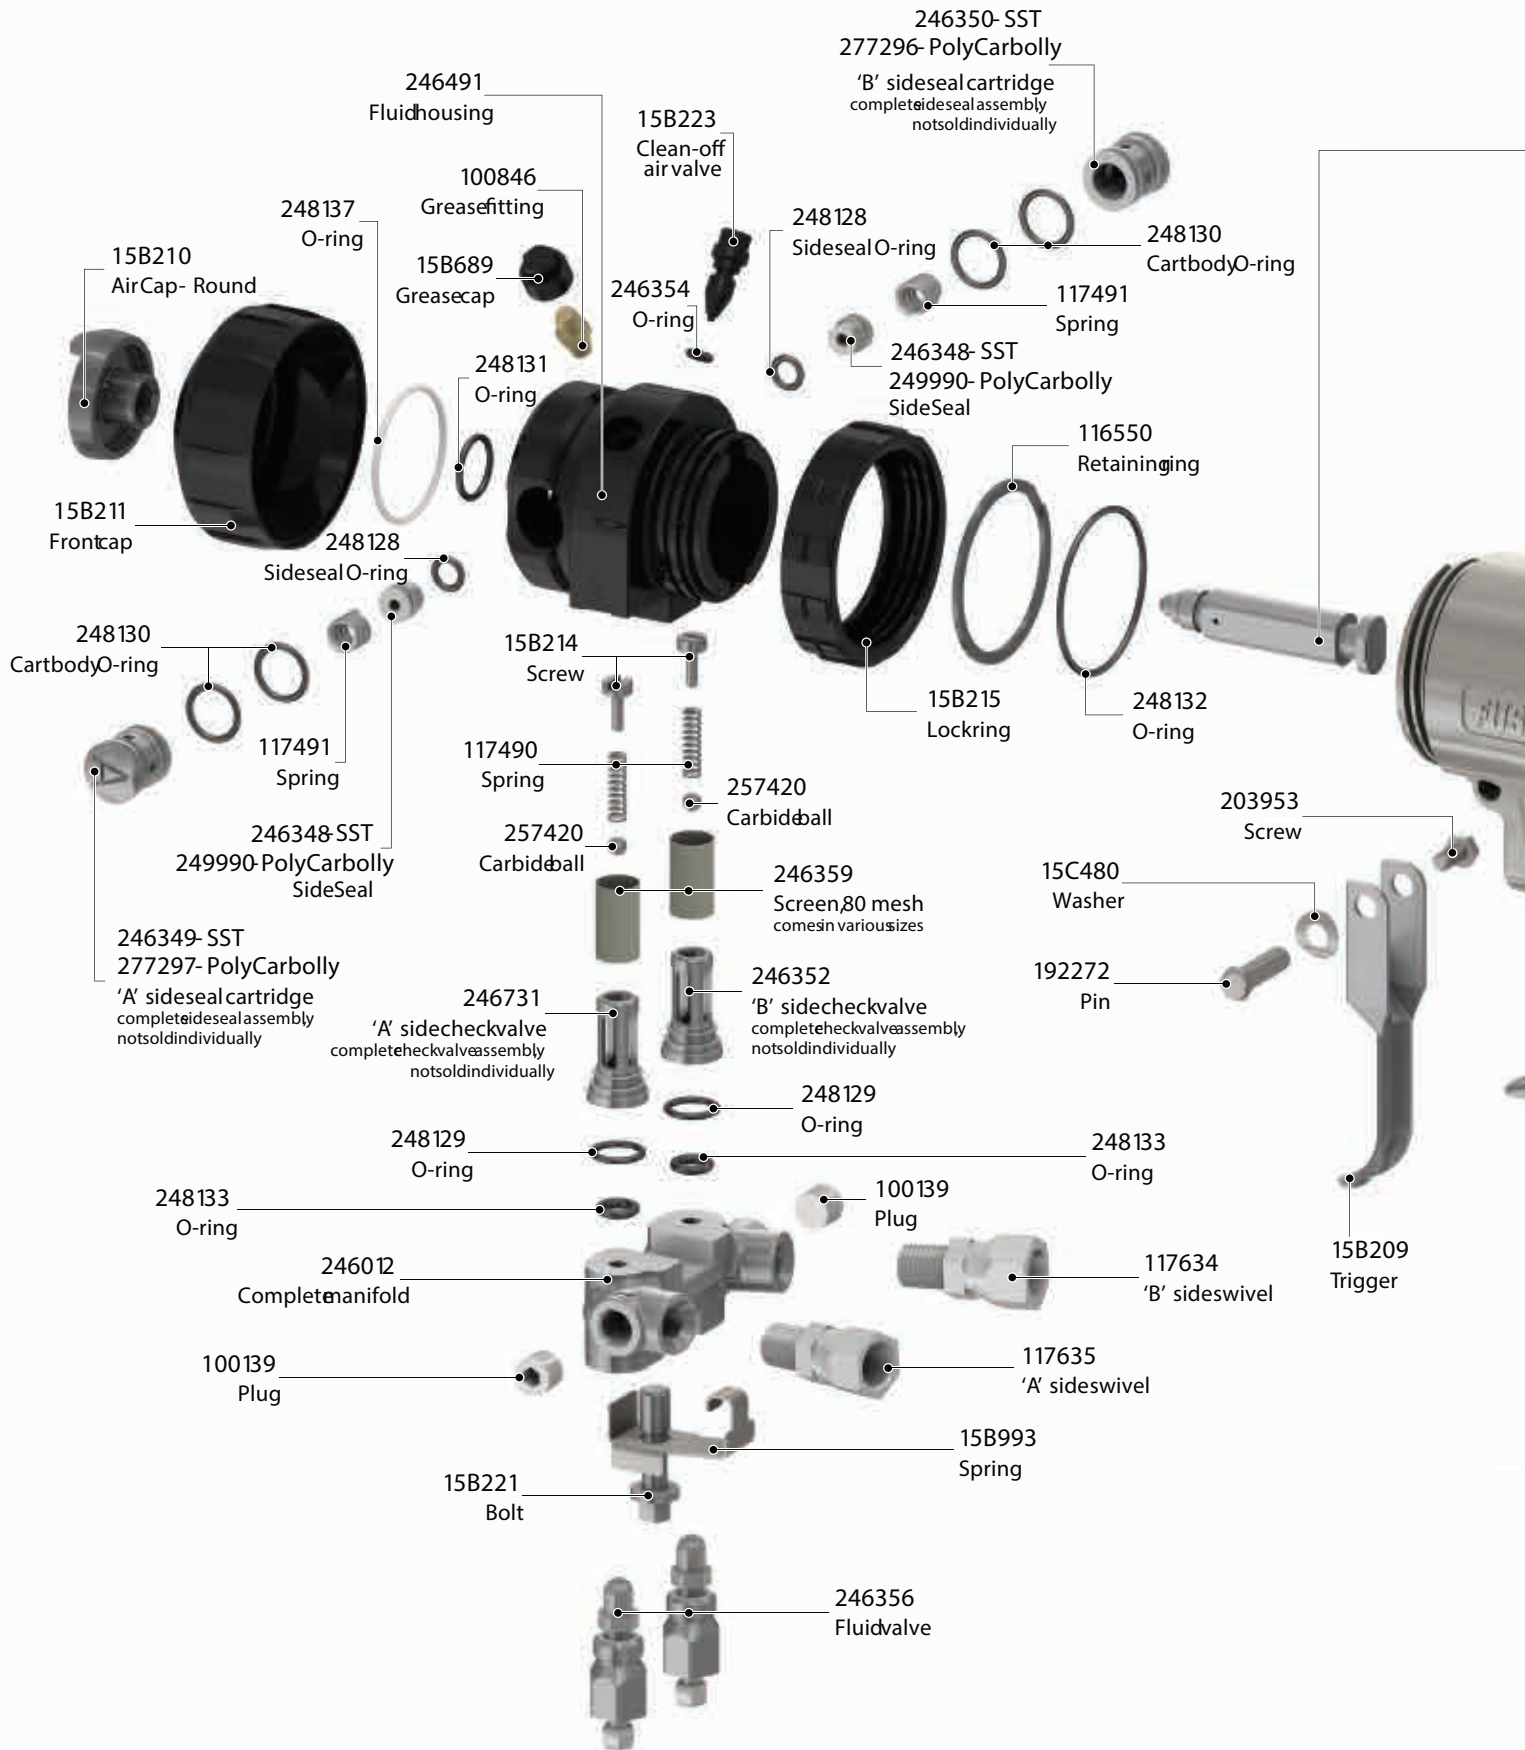

SIDEWINDER HOSE WRAPS

Heated spray foam hose is one of the most expensive consumable items for an insulation contractor. Sidewinder thermal and protective hose wrap was developed to protect the costly investment of replacing hose. This product can be installed over old hoses to renew the thermal insulation, ultimately allowing your machine to work less to heat a hose with degraded insulation. Protect your investment with Sidewinder hose wrap, a featured product from IDI.

P/N	DESCRIPTION	LIST PRICE
SW-2173	2.38" DIA., NON-INSULATED SLEEVE, 50' W/END STRAPS	\$291.60
